Unhitch the van, pitch a tent or stay a night in a cabin at towns and places of interest, the choices are endless.

ROAD SAFETY
Plan your trip so that you are not driving or towing too long each day and that you experience all the attractions. Unhitch the van, pitch a tent or stay a night in a cabin at towns and places of interest, the choices are endless.
Packed with arts, sports, food, wine and culture – it’s no wonder Melbourne is one of the most liveable cities in the world.

The Yarra River flows through, fringed with trees, walking tracks and pocket sized habitats. Venture to nearby coastal wetlands for more walking, running and cycling trails. Bay beaches beckon with golden sand and lapping waves, and you’re not far from the ferny Dandenong Ranges or verdant soils of the Yarra Valley. Of course, you’ll want to sample the award-winning wines while you’re there – cheers!

Trams, food truck parks, galleries, live theatre, the Queen Victoria Market, Southbank, the MCG and St Kilda’s Luna Park by the seaside are big city thrills everyone delights in.

Once you’re set up in your bayside, metro or just out of town tourist park, you have it all at your fingertips – festivals, parks, events, golf courses and shopping.

Your biggest challenge? Deciding what to do, see, hear and taste next.

NOT TO BE MISSED

- Go wild: At the Melbourne Zoo, Werribee Open Range Zoo or Healesville Sanctuary – the perfect day out with the family
- Views from above: See Melbourne shine from the Star Observation Wheel or Eureka Tower Observation Deck (the glass cube is amazing)
- All aboard! Ride Puffing Billy, Australia’s oldest steam railway through the forest in the Dandenong Ranges
- Experience local fare: The picturesque Yarra Valley is full of delicious treats
- Head to the beach or hit the fairways: Mornington Peninsula is the spot
- Culture aplenty: The region is bursting with venues, festivals, markets, galleries and museums

From beautiful bay vistas to rolling hills, with a vibrant city in between

GEELONG & THE BELLARINE

The Geelong Waterfront is a great starting point when visiting this beautiful region. There are trails, cafés, bars and restaurants dotted along the waterfront.

Head a little further in town and you’ll discover Geelong’s artistic flair; galleries, street-art murals and laneways abundant with eateries and music venues.

Geelong is also home of the AFL Geelong Cats (down at Kardinia Park) – a must if you’re visiting during the AFL season. If footy’s not your thing, a bushwalk through the Brisbane Ranges National Park for glimpses of koalas, kangaroos, wallabies, echidnas and possums or a hike up the You Yangs for panoramic views will make lasting memories.

And when you’re ready for a more relaxed break, The Bellarine has it all – sun, surf beaches and grand old architecture.

At Queenscliff, board a bay tour to swim with the dolphins or learn to dive. Ferry rides, Segway touring and formidable food, wine and brewery operators in all directions make this region a holiday haven you’ll never want to leave.

NOT TO BE MISSED
• Meet the locals: Take a stroll around the waterfront and you’ll discover the iconic Bollard Trail
• Head to the Dome: Get reading at the Geelong Library & Heritage Centre
• Brewery fresh! Drop in for a locally crafted frothy at Little Creatures or head further down the road for the Queenscliff Brewhouse
• Tantalise your tastebuds: Enjoy gourmet food that is home grown, hand-picked and handmade on The Bellarine Taste Trail
• Tee-off: At the home of the Vic Open – 13th Beach Golf Course – with two courses and a driving range
• Hang ten: At a patrolled surf beach in Ocean Grove or Barwon Heads
